

CARIGNAN VERTICAL

très vieilles vignes

ALT. 525m

very old
vines
(87 years old)

Personality :

Attractive, frank and appealing

Particularities :

Harvested late after slow maturation, these old vines of Carignan Noir offer a very pure expression of this traditional grape variety, combining freshness, complexity and depth.

Food and wine pairings :

To taste on a nice piece of grilled meat.

DENOMINATION :	IGP Côtes Catalanes
ALTITUDE :	525m
SOILS :	Granitic Arenas & Quartz
GRAPE VARIETY :	100% Carignan Noir
% VOL :	13.5%
CENTILIZATION :	750ml
CLOSURE :	DIAM 3
VINTAGE :	2021

The unique climatic conditions encountered in altitude allows our grapes to ripen very slowly, while naturally minimizing the use of treatments. On this granite plateau overlooking the Mediterranean Sea and the Roussillon amphitheatre, our vines produce clear and fresh wines, marked by a pronounced mineral personality.
